Family Tree

The Missing People Family Tree

Welcome to our unique Family Tree, which will be displayed in our reception at Missing People central office in London. Each of its leaves can be inscribed with a name and/or message for a loved one.

The tree will become a meaningful way to create a tribute to your loved one whilst also helping the charity Missing People continue to be a lifeline when someone disappears.

The Missing People Family Tree is just one way to commemorate a loved one. The money raised will help us continue to offer a 24-hour helpline to many of the 250,000 people who are reported missing each year, and for their loved ones left behind.

Whether you choose to join the Missing People Family Tree or not, our team will remain here for you and your family for free, in confidence and around the clock on 116 000.

How to create your personalised tribute

- Choose your naming option, outlined on the following page, complete the application form overleaf and return it to us in the FREEPOST envelope provided
- We will contact you to confirm your message and send you details of our intribute.org.uk website where you can set up an optional, complimentary page to track your donations, upload photos and share with others
- If we don't receive any amends within seven days we will proceed with creating your leaf. Please note, direct debits will start on either 1st/15th of each month depending on which is closer to the processing date
- We will send you a confirmation letter and photo of your engraved leaf on the Family Tree
