

# Fundraising Ideas

## Training Tunes

Let supporters choose your training or event day playlist. You could ask them to make a donation on your fundraising page and comment the song they want to add.

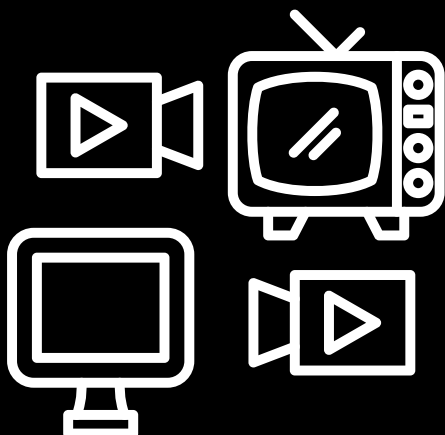

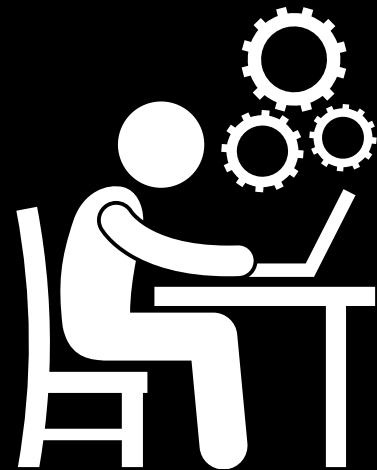

## Sponsor a Mile

Ask people to sponsor you a certain amount per a mile.

## Get your workplace involved

Lots of companies do a scheme where they double the amount you raise for charity with match funding - check if your employer does this to boost your fundraising. They might even want to do something fun on social media to help promote it. You could also ask if you could leave a collection tin on the reception desk.

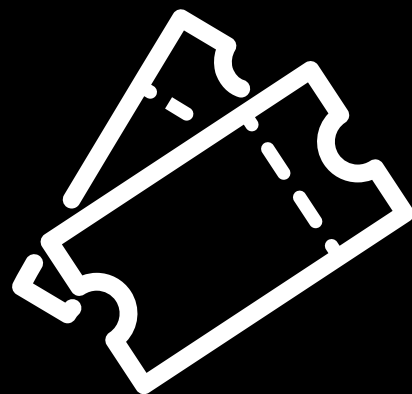

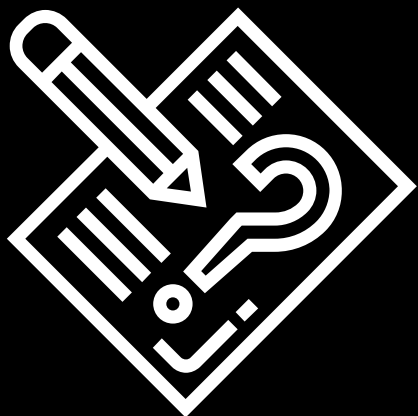

## Reach out to local media

Why not approach your local newspaper or radio station and tell them about why you're running for Missing People and ask them to share your fundraising page.

## Organise a Raffle

Get in touch with local businesses to see if they'll offer you items to raffle for your fundraising. Local companies are often keen to support, so give it a go!

## Host a Quiz Night

Organise a quiz night and charge people an entry fee to add to your fundraising total.

## Sweepstake

Organise a prediction game, with people paying a donation to your fundraising page to guess your finish time. You could even give the winner a small prize. You can find our 'Guess my Race Time' poster [here](#).

## Organise a Bake Sale

Bake some treats then make a few posters about the cause you're raising for with some QR codes linking to your fundraising page for cashless donations.
